This action is in response to the election filed 2/8/06.

Election/Restrictions

1. Applicant's election without traverse of claims 1-13 in the reply filed on 2/08/06 is acknowledged.
2. This application is in condition for allowance except for the presence of claims 14-25 directed to a semiconductor device, non-elected without traverse. Accordingly, claims 14-25 been cancelled.

EXAMINER'S AMENDMENT

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claims 14-25 are canceled.

Claims 14-25 are toward a non-elected invention, the election being made on 2/08/06, without traverse.

Reasons for Allowance

4. Claims 1-13 are allowed.
5. The following is an examiner's statement of reasons for allowance:

Claim 1 limits the formation of a semiconductor device to forming a second photoresist that covers the edge chip area and selectively etching the molding layer, using the photoresist pattern as an etching mask, to expose the first storage nodes. The closest prior art of record (US 20020187598A1) does not teach or suggest forming a photoresist over an edge portion to selectively etch and expose the first storage nodes.

Claims 2-13 are allowed as being properly dependent upon allowed claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to David S. Blum whose telephone number is (571)-272-1687) and e-mail address is David.blum@USPTO.gov.
